See the life of another Prism!

Magnificent opportunity in the center of the village of Amarelos, with close to 1000m2 of area, two annexes to support agriculture and a fantastic sun exposure could be your opportunity to have your leisure space to enjoy with family and friends just minutes from the city. .

We highlight the privileged location in the center of the village, the fertile soil and access to the property as some of the added values. It also has several fruit trees. 16km from Castelo Branco and 15km from Vila Velha de Ródão, where you can enjoy several points of interest, such as the Castelo do Rei Wamba, the Interpretation Center for Rock Art in the Tagus Valley or Portas de Ródão.
