See Life from Another Prism.

Fantastic plot of land in the beautiful village of Salgueiro do Campo with a project to build a 2 bedroom single storey house with swimming pool and parking space.

Located in a quiet area of the village, with great access on a tarred road, it is just a few minutes from the center of the village and has excellent sun exposure as well as stunning views.

The excellent land area allows, in addition to the magnificent outdoor space, the construction of a house with an implantation area of 165.30 m2. The project also has a swimming pool and a beautiful outdoor space where you can enjoy pleasant moments with family and friends.
