**Certificado Energético:** D

Excellent villa, approximately 310m2 on the ground floor, 1st floor and annex, set in a plot of land with a corner, in a very quiet area of the city.

On the ground floor we find a living room with fireplace, WC, two bedrooms, kitchen with fireplace and pantry. The first floor consists of a bathroom and four bedrooms: one of which is an air-conditioned suite, built-in wardrobe and toilet, and the other two also have a built-in wardrobe.

The exterior of the house has a garden area, annex, cultivation land with a borehole and parking space.

The property in addition to all the added value also has a great sun exposure.
