See the life of another PRISMA.

Magnificent land with 39310m2 very well located on the outskirts of the beautiful village of Malpica do Tejo, about 15 minutes from Castelo Branco.

This property consists of a land with a moderate slope and very fertile, with electricity at the door and abundant water from its own dam.

With about 2.3ha of arbutus and with a drip irrigation system, this land allows a production of 40 tons of arbutus per year.

In addition to eucalyptus trees, we also find 260 cork oaks on this land, with a moderate slope, from which income can also be obtained.
