Flat rustic land with 4450 m2 isolated, with three stone constructions to recover. Ideal for a small farm, they have three wells, adjoin a water line and the dirt track where electricity goes.

It has trees of some size like oaks and cork oaks. It is 300m from Ribeira de Meimoa where there is a Roman Bridge and approximately 3 km from Pêro Viseu - Portugal.

In a different environment due to the set of oaks that transmit a unique beauty you can have the farm of your dreams.
